Facility Policies

Many people have contributed to the proud craft traditions of the IUOE and this is reflected in the overall design of the IUOE Training and Education Center as a learning center. In keeping with the IUOE's commitment to elevate the trade of operating engineers and encourage higher skill standards, please follow the facility policies below.

Conduct

The Center belongs to all of us so please treat the facility as well as fellow students, instructors, staff and guests with respect.

As a program participant you are representing the IUOE. Professional conduct is expected. Please help us keep the Center clean and fresh for our fellow brothers and sisters who will be attending courses after you leave. Take pride in the Center and enjoy your stay.

Classes with an outdoor component may be muddy. Please bring an extra pair of shoes that can be worn after class and for meals in the Cafeteria during class..

Appropriate dress is required at the Center. When not attending your course, a minimum of a shirt, shorts and shoes are required to be worn at all times.

During your class time:

- Arrive for class on time and fit for duty.
- Wear long pants and work boots in workshops.
- Wear shirts with sleeves.
- No shorts or sandals inside the training center.
- No torn, worn-out or objectionable sayings on clothing at any time.
- No guests are allowed in the dorm rooms.
- Respect fellow guests and observe Quiet Time between 10pm and 8am.
- No alcohol allowed in classrooms or workshops.
- Horseplay, harassment, and abusive language will not be tolerated.
- Illegal drugs (per Federal law) and weapons of any kind are forbidden in any part of the Center.

Drunk or disorderly behavior, violence or intimidation is cause for removal from the Center.

Any property damage caused by residents will be the sole responsibility of the offenders.

Smoking

IUOE Training & Education Center is a NON-SMOKING FACILITY. There are designated smoking areas throughout the Center. Please use the ashtrays or ash cans that have been provided.

Other Items

The facility is a cash-free environment. Therefore, the Center will not provide cash in exchange for checks, debit cards or credit cards. The Gift Shop accepts only credit and debit cards.

For safety reasons please keep glass containers away from recreational areas.

Please keep dorm room windows closed. They are for emergency use only.

Please refrain from taking food and trays out of the Cafeteria area.

Vending machines for toiletries and other essential items are located on the first floor next to the lobby hospitality area.

Complimentary bottled water is available next to the Ballroom and beverages are available in the cafeteria.

Please use the recycling receptacles that have been placed throughout the Center. In an effort to help save our environment, we offer recycling for batteries, paper, cardboard, glass, aluminum and plastic.
